

# Climbing the walls—literally—at CIC Party in Somerville

Felt very cool in joining 500 of my closest friends at the all-CIC (Cambridge Innovation Center) Party held at Brooklyn Boulder indoor climbing center, in Somerville, on Friday night. During the day, CIC is a vibrant workplace for 500 companies and 1700 people on nine floors of two high-rise buildings in Kendall Square, Cambridge. At the party, all of that

energy

and many of those people were unleashed in one huge horizontal space—literally climbing the walls, doing yoga, taking photos, who knows what else. We were given the choice of drinking or climbing...

[Friends Tom, R, Michael, Kathryn...heck, almost everyone I knew– chose the former,](#)  
making us, perhaps, a bit less cool?
