

A Look Back at New Cambridge Observer for 2010.

January 2, 2011

Here's a summary, compiled by the stats helper monkeys at WordPress.com, who mulled over how this blog did in 2010. Five thousand views... Thanks, wordpress, readers, and the Boston Globe! I promise to be more diligent in 2011.

Here's a high level summary-followed by a rundown by individual blog. Anita

The *Blog-Health-o-Meter*[™] reads Fresher than ever.

Crunchy numbers

A Boeing 747-400 passenger jet can hold 416 passengers. This blog was viewed about **4,700**times in 2010. That's about 11 full 747s.

In 2010, there were **6** new posts, growing the total archive of this blog to 57 posts. There were **40** pictures uploaded, taking up a total of 6mb. That's about 3 pictures per month.

The busiest day of the year was January 6th with **203** views. The most popular post that day was [Eeek! May I borrow your cat? Mice. Please advise.](#)

Where did they come from?

The top referring sites in 2010 were [digg.com](#), [healthfitnesstherapy.com](#), [dating-online2u.blogspot.com](#), [slashingtongue.com](#), and [the-best-twitter.com](#).

Some visitors came searching, mostly for [new cambridge observer](#), [cambridge observer](#), [unusual playground](#), [cambridge common playground](#), and [fruits and vegetables](#).

Attractions in 2010
